BOARD OF CANVASSERS

Each County must have such a board to canvass all state, county, school, and some city, township and village elections. After the primary and general elections, the board reviews and analyzes the results to determine who has been nominated in primary elections and which candidates are elected in general elections. After the general elections, the board delivers certificates of election to the County Clerk. The board is also empowered to conduct recounts in certain elections.

MAJOR PARKS IN MACOMB COUNTY

Macomb County is often noted for its recreational opportunities, particularly its access to both inland lake facilities and Lake St. Clair. There are five major public parks in the County where persons can enjoy a vast array of year-round, recreational activities. These five parks complements the many municipal parks located in each of the twenty-seven communities in Macomb County. County residents are never far from leisure facilities.

The five major parks in Macomb County include:

Freedom Hill County Park:

Located in the City of Sterling Heights on Metropolitan Parkway, this 100 acre park is easily accessible from all parts of the County. Opened in 1974, the County Park has evolved into a special events park known mainly for its festivals and shows. Major facilities at the park include the multi-use Independence Building, festival grounds with shelters, open-air amphitheater, tot lot and games area. The park is used by families and groups for picnicking and related activities. The air-conditioned Independence Building, complete with caterer, can be rented for social gatherings.

William Tuckar County Park:

This 28 acre park nestled along the Clinton River Spillway in Harrison Township currently provides picnic facilities, a comfort station, and bank fishing access. Open from late spring through early fall, the park offers a quiet spot for family recreation activities, fishing, and relaxing.

Metrobeach Metropark

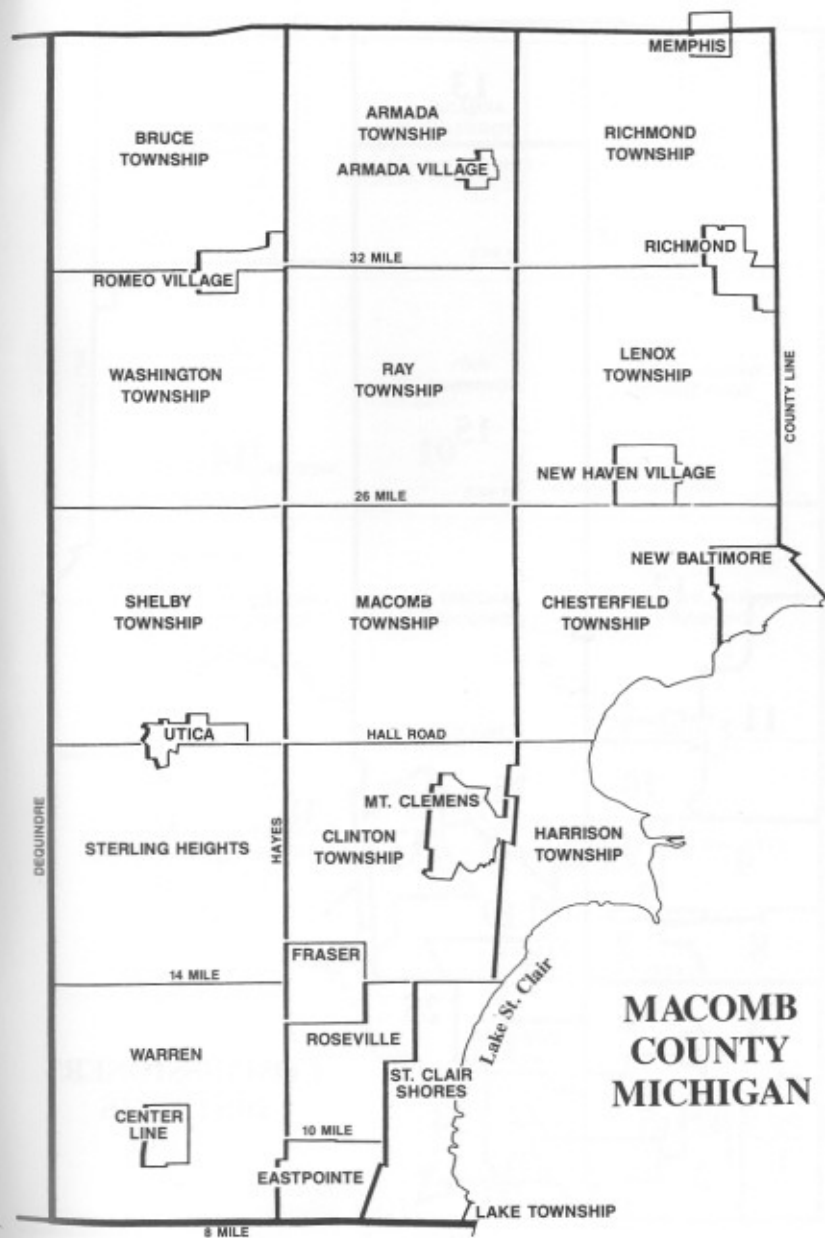

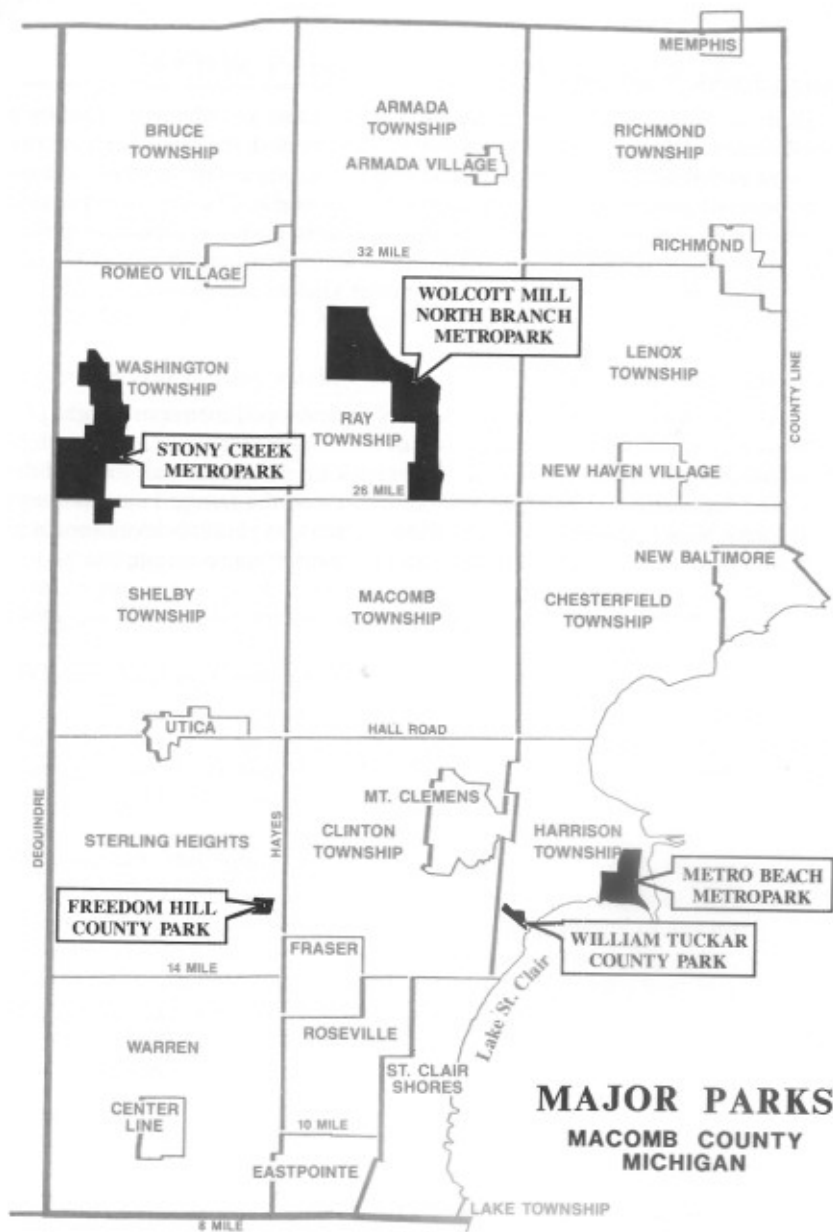

At 770 acres, Metrobeach offers one and one quarter miles of Lake St. Clair frontage. The park has been designed for use by a variety of age groups, and includes a large beach area, swimming pool, tot lot and play areas, shelters, a paved bike/hike trail, nature trails, three marinas, and a boat launch ramp. An open air pavilion offers both day and evening programs during the summer months. In the winter, the park users can enjoy ice skating and cross country skiing, weather permitting.

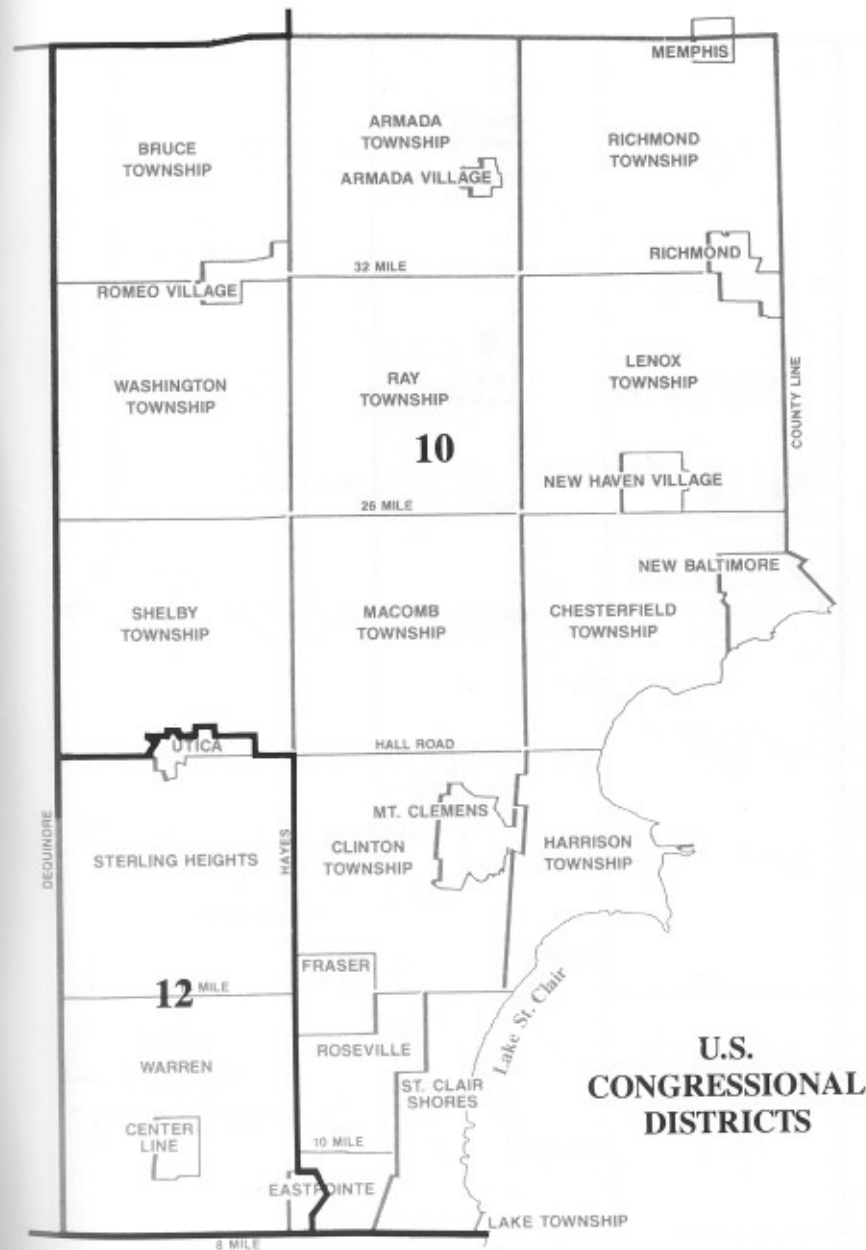

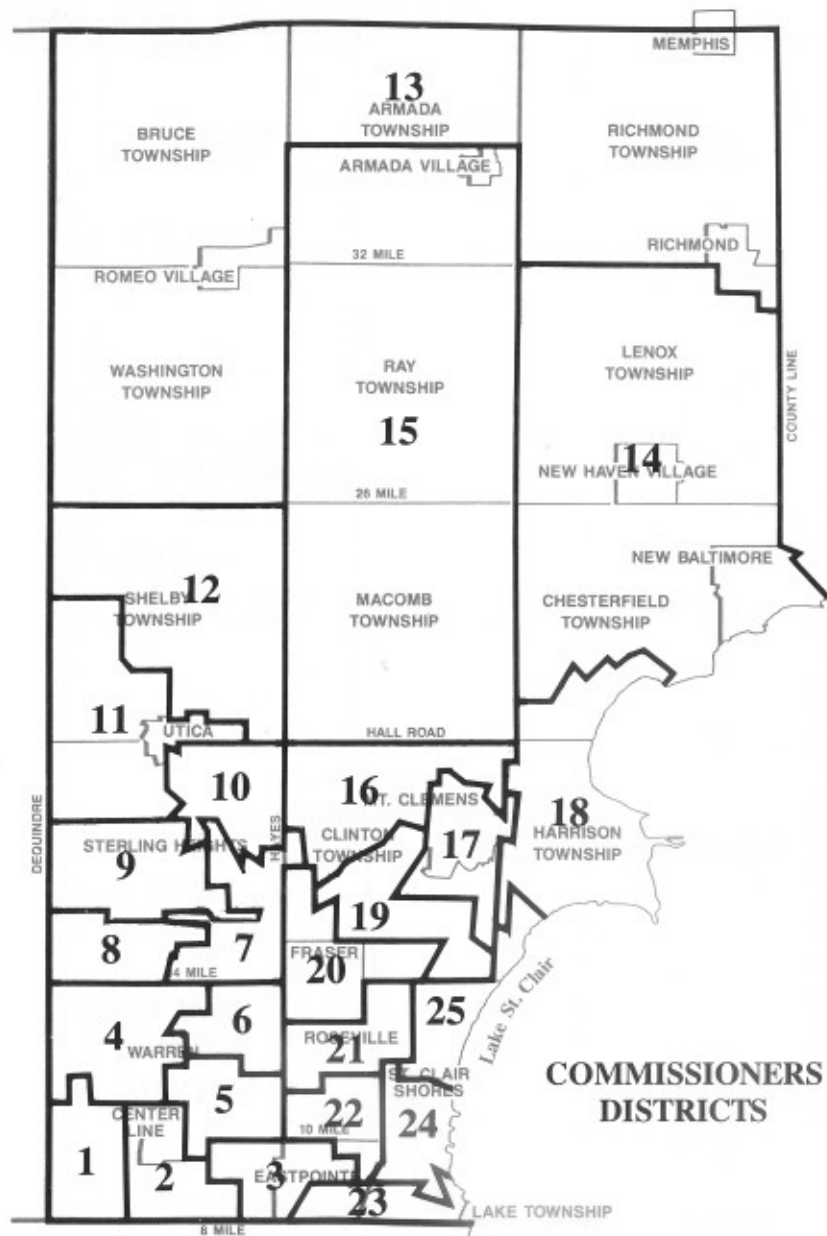

Stony Creek Metropark

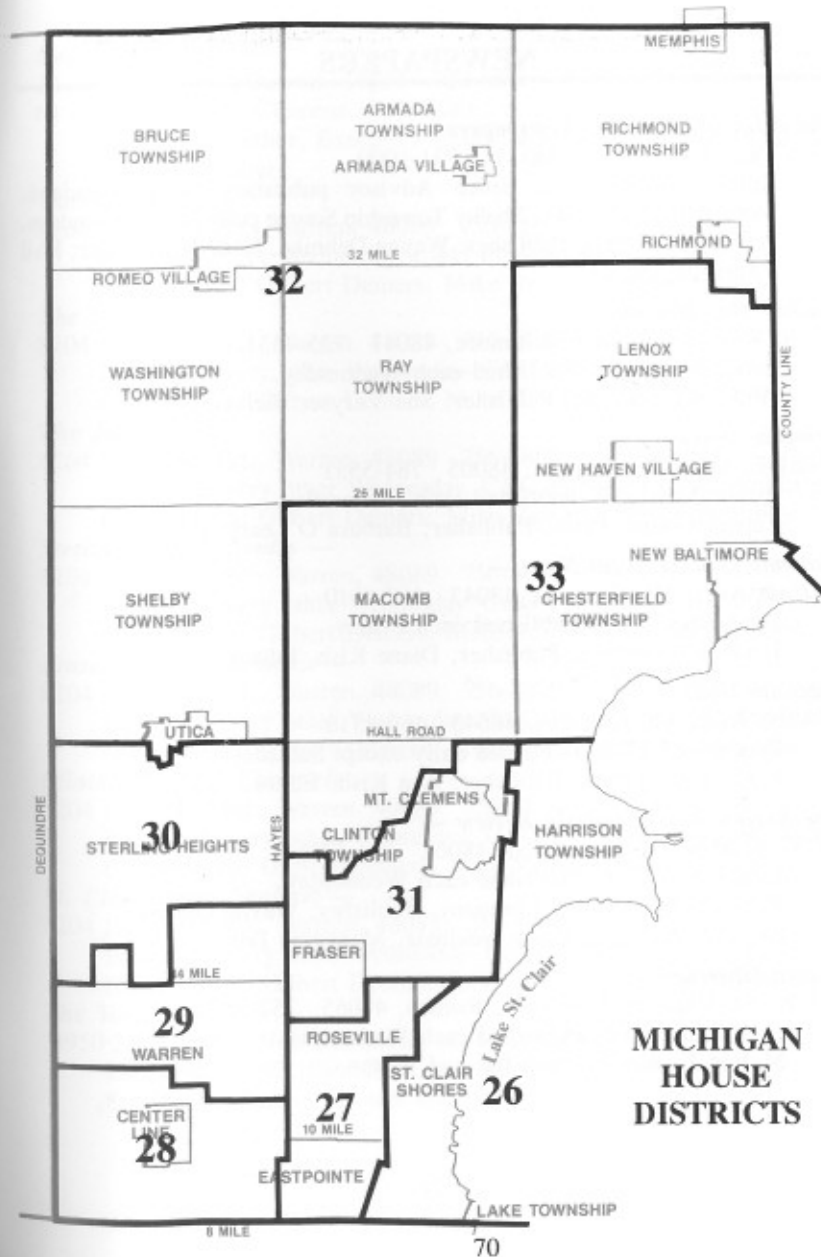

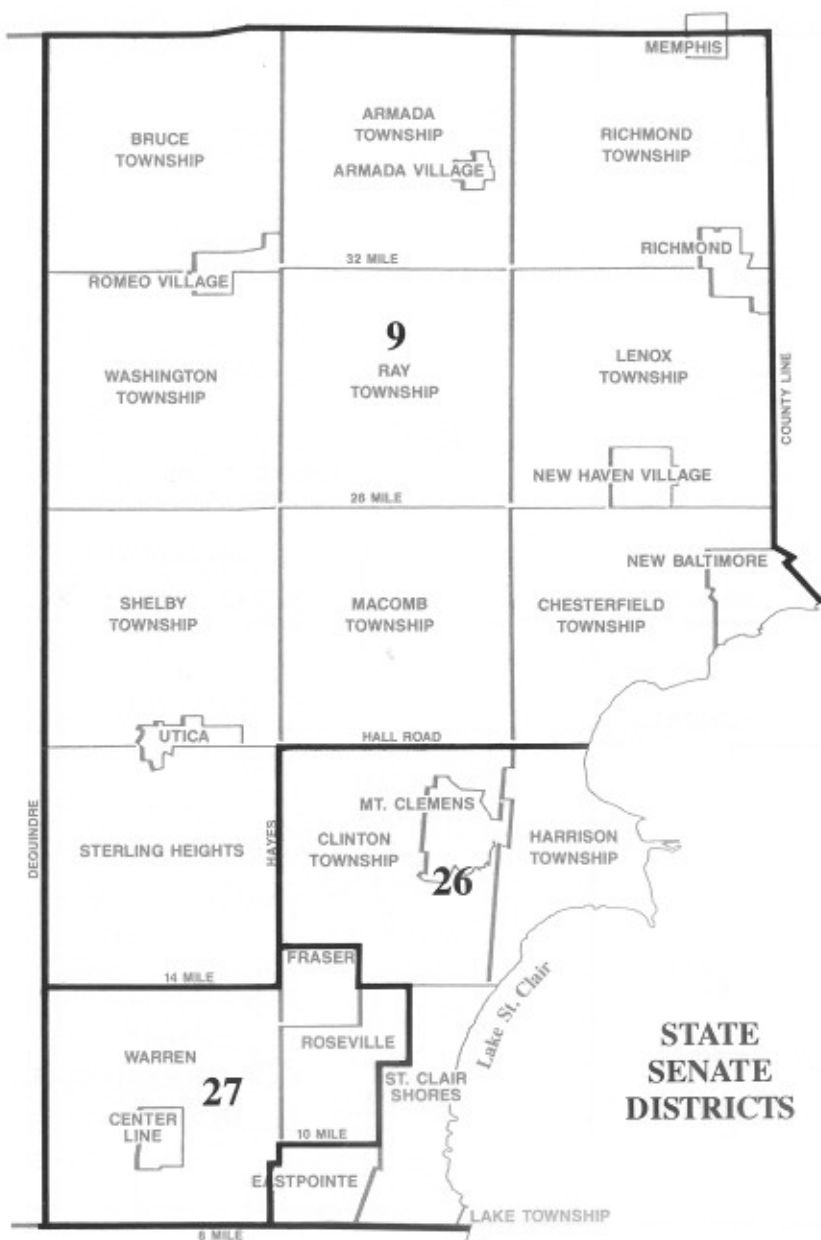

Built around the 497 acre Stony Creek Lake in Macomb County's northwestern rolling terrain, this metropark utilizes its 4,461 acres for a variety of recreational activities. Nine large picnic areas accommodate summer visitors. Ten miles of paved roads and over six miles of hiking and biking trails provide scenic tours. An 18-hole championship golf course is also available for public use. In addition to these amenities, the park includes swimming, beach, play areas, boat launch, and canoe rentals. Winter visitors can enjoy cross country skiing, sledding, and ice skating.

Wolcott Mill Metropark

Open May through October, this largely undeveloped metropark highlights a historic grist mill on the North Branch of the Clinton River in Ray Township. Situated in a pristine, natural setting, the park offers educational tours of the mill and support facilities. Park visitors also enjoy the tranquil surroundings and scenic views, especially at the change of seasons. Future development of the park will focus on the mill area and on nature appreciation.

The Star-Spangled Banner *National Anthem*

*O say can you see,
 by the dawn's early light,
 What so proudly we hailed
 at the twilight's last gleaming,
 Whose broad stripes and bright stars
 through the perilous fight
 O'er the ramparts we watched,
 were so gallantly streaming
 And the rockets' red glare,
 the bombs bursting in air,
 Gave proof through the night
 that our flag was still there,
 O say does that star-spangled banner yet wave
 O'er the land of the free
 and the home of the brave.*
